EXPED CRUSH LAPTOP DRYBAG

These days, no one likes to be too cut off. Even on remote campsites, modern caravanners would be lost without their digital toys. All those DVDs to watch, music to listen to, not forgetting composing long emails to the kids back home. This lightweight drybag keeps your laptop snug and dry, protecting it from all that nasty rain and mud. It's light and looks pretty snazzy.

BIG WIPES FOR CARS

You've driven a long way and when you get to the site you realise your beautifully polished car is now grimey on the outside and smeared with the kids' sweets inside. This is where Big Wipes come in handy. Impregnated with cleaning solvents and emulsifiers, they should remove everything from tar to tree sap. Interior, exterior and glass wipes come as a pack of three, suitable for most cleaning needs.

PROBIOTIC DOG TREATS

We know that lots of you take your dogs away with you on holiday, so here's something to help them stay fit and healthy. Feelwells Lamb and Rice Probiotic Treats increase the amount of good bacteria in your dog's digestive system, helping your furry friend maintain a healthy balance by boosting the body's natural defences. These treats do not contain any wheat, gluten, beef, dairy products, soya, salt or sugar, so are ideal for pets with specialist food needs.
