HOW TO GIVE YOUR MGB V8 POWER

By Roger Williams (ISBN 1-904788-93-9)

Price £29.99
 The MGB is the quintessential practical classic, but if you're not one of the 2591 lucky enough to have nabbed one of the factory-built V8 models then you could have a hankering for more power.

Roger Williams' book is the perfect starting point to satisfying any V8 cravings. Be it a Rover 4.6 or Chevy small-block, Williams details the wisest moves to make from planning, to realising your retro rocket's boost.

KINGNUT TRADE BOX

Price £34.95
 Kingnuts are ideal for loose interior trim, dashboards or any other low-pressure fixture. The plastic fasteners fit any thread pattern – all you have to do is push them down the length of the thread and twist round 360° and they're locked in place. They tighten themselves up with vibration and can withstand up to 98lb of downforce pressure. They can be re-used, too.

3-IN-ONE WIRELESS AMP METER

Price: £17.52
 Agriemach's 3-In-One amp meter is a natty device that answers questions quickly if your car won't start. It measures the charging rate of your alternator or generator and the starter current from the starter motor. You needn't hook up any wires – just hold the meter over the cable and read the result.

SPAX RSX STAINLESS COILOVER SUSPENSION KITS

Prices: from £499.99
 The new RSX coilover kits from Spax are designed to eliminate the risk of corrosion setting in around the ride height adjusters by using 100 per cent high-grade stainless steel. The best feature is that despite the new stainless design, Spax hasn't raised prices.

Spax shocks are Krypton gas pressurised to aid high-speed performance and low-speed ride

BIG WIPES
Price: £9.99
 Putting the finishing touches to your detailing job at a show isn't easy, especially when you've got no water supply (or it's a heck of a trek away across the fields). But Big Wipes offers a convenient triple pack of wipes that have separate interior, exterior and glass cleaning properties. They should have your car looking concours without you having to drill for water.
