SEE FOR YOURSELF

Want to see what ELEX is like before visiting? Take a look at the latest ELEX video footage on the Elex website: www.elexshow.info to get a flavour of the country's leading exhibition for electrical contractors.

Ricoman

Visitors to the Ricoman stand will have the chance to see the company's key products, such as bulkhead luminaires, panel lights, downlights and a range of efficient industrial luminaires, all manufactured using top class components. Pop to the stand to see how the company can illuminate your environment.

Big Wipes

For all those times when you need to clean your hands, tools and surfaces at work or on the move, Big Wipes, are the ultimate solution to shifting PU foam, silicone sealants, epoxies, paints, grease, oil and general grime. Visit the stand for a demonstration of the remarkable cleaning ability of Big Wipes.

Electrorad

Electrorad will be displaying its electric heating systems at ELEX, including the popular Digi-Line, AeroFlow and Vanguard ranges that only require a 13amp connection. With no pipework or plumbing involved, an Electrorad central heating system is great for electricians looking for a genuine fit-and-forget solution.

Professional Electrician

ELEX 2016

The Electricians' Exhibition

Sponsored by

Show time

Your next ELEX event is
3rd-4th March, Event City, Manchester

Attracting more than 17,500 visitors each year, ELEX is the key event for the electrical contracting trade. Featuring hundreds of exhibitors and more products than you can shake your rod set at, ELEX is an unparalleled opportunity to

discover first-hand all the latest advice and solutions you need to develop your business. Discuss your product issues with manufacturers, air your concerns with approval bodies and meet with your peers: all under one roof at a venue near you.

"ELEX IS THE NO. 1 SHOW FOR ELECTRICAL CONTRACTORS WITH MORE THAN 17,500 PEOPLE VISITING THE SHOW IN 2015."

COLIN GALE, EVENT MANAGER

Book your free entry now at www.elexshow.info

Fitzgerald Lighting

Fitzgerald Lighting is proud to be a UK Manufacturer with over 40 years' experience. The company designs and manufactures commercial and Industrial Lighting at a high specification but also at a competitive price. Fitzgerald offers low energy lighting solutions to incorporate dimmable settings, daylight sensors and emergency options designed specifically for each project.
