

# BATTLE OF THE TRADES

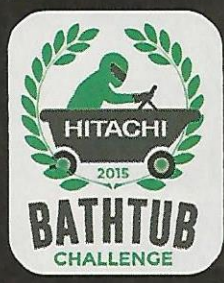

**The Hitachi Bathtub Challenge is back and it promises to be bigger and better than ever before! And this is your chance to join the reigning champions, the PE team and take the Bathtub challenge crown once again!**

Imagine a Top Gear challenge crossed with an A-Team-style vehicle makeover and you'll get a good idea what the Hitachi Power Tools Bathtub Challenge is all about!

Keynes. As part of the team, you will receive a great Hitachi Power Tools kit, goodies, a Bathtub Challenge team kit as well as support from Hitachi's team of power tool experts. And of course you will take away some great memories and get to appear in PE!

As part of the PE team, you will be taking on plumbers, builders and mechanics to build the perfect bathtub vehicle with the extensive range of tougher, faster and more advanced Hitachi Power Tools.

Hitachi will provide subsistence and accommodation.

For your chance to join the team fill in your details below and send to: Hitachi Bathtub Challenge, PE, Regal House, Regal Way, Watford, WD24 4YF. Alternatively, email

**JOIN THE TEAM!**  
The competition will take place week over two days commencing 4th July 2016 at the Hitachi Power Tools HQ in Milton

richard@ariapr.co.uk with your details and a contact telephone number.

## » FLIR

### TG130 Thermal Camera

This new Spot Thermal Camera features the FLIR Lepton core that is the size of a smart phone SIM card. This makes the new TG130 lightweight, ergonomic and pocket portable so it is always available for instant troubleshooting. Simply aim the instrument at a target object or surface to measure the temperature, then click the trigger to freeze and view the image.

The FLIR TG130 is ideal for spotting thermal anomalies which can then be flagged for more detailed thermal inspection.

## « Big Wipes Power Gel

Perfect for mopping up muck on the go and when water is not available, Big Wipes Power Gel is also ideal for an end-of-day deep clean. Simply rub the Power Gel into your hands and let the power granules do their work. Just a small amount of the Power Gel can easily remove uncured paint, adhesives, silicone, epoxy, PU foam, oil, grease and much more from the skin.

## » KNIPEX

### Robust Tool Case

The KNIPEX Robust Tool Case is a tough, roomy tool bag made from impact resistant polypropylene, which will protect precious tools from collisions and blows. The case is dustproof, air and watertight for extra protection and is resistant to temperatures from -40°C to +80°C.
