

10 MEDIUM SIZED TOOLBAGS

STARRETT

The bags are available in three sizes – small, medium and large – to suit a variety of trade demands. The smallest bags (300x170x220mm) offer an ideal all-in-one solution for transporting tools, while the medium bags (400x220x320mm) also provide a waterproof base and large bags (410x220x320mm) are reinforced and have a rubber carry handle for more heavy-duty requirements. Each of the bags has a number of internal and external pockets for quick and easy access to tools, allowing for better organisation and making it easy to find the tool you need without wasting time searching.

Circle the readerlink and you could have this one in the bag.

5 BUCKETS OF WIPES

BIG WIPES

BIG WIPES MULTI-PURPOSE BUCKET

Big Wipes has introduced a new and reusable bucket, containing 300 industrial strength Multi-Purpose wipes. The 4x4 formula shifts all modern construction sealants, adhesives, paints, coatings and grime. Containing four cleaning agents and four dermatologically tested skin conditioners, the wipes aim to be tough on grime but kind to your hands. They are made from a three layered, non-woven quilted fabric. This fabric captures liquid between the fibres, minimising the number of cleansing wipes used for any cleaning job.

Our competition is so easy to enter there'll be no need to wipe away the sweat, simply circle the readerlink!

15 TUBES OF FILLER

GEOCEL

PAINTERS MATE FLEXIBLE FILLER (BRILLIANT WHITE)

Filling voids both internally and externally can be achieved simply using Geocel Painters Mate. The filler can be used on door and window frames, skirting boards, ceilings, walls, architraves and plasterboard. No sanding is required. The product is easy to use and suitable for hairline cracks, as well as being flexible. The user is able to paint over the filler in one hour, and will resist mould growth after application.

There'll be no need for mate's rates if you win our easy-to-enter competition, simply circle the readerlink!

20 SDS DRILL BIT BUNDLES

FORGEFIX

FORGEMASTER POWER TOOL ACCESSORIES

ForgeFix is celebrating the launch of its new ForgeMaster range of power tool accessories with a bumper drill bit giveaway. The company is offering bundles of 10 SDS drill bits to 20 lucky readers. These bits are manufactured to the highest standards and come packaged in resealable plastic tubes. This makes them easier to transport and easier to store with less chance of the bits becoming damaged when not in use.

Fixed on getting your hands on these drill bits? Enter the competition and you may well win.
